### **CONSTRUCTION BEGINS ON 2015 STREET IMPROVEMENT PROJECTS**

On September 16, construction officially started on the City of New Richmond's 2015 street improvement projects, which include 115th Street from CTH A to 175th Avenue, 175th Avenue from 115th Street to 112th Street, and High Street/North Pierson Street from the railroad tracks to the Lakeside Foods entrance. During construction, access for local traffic will be maintained, but these streets will be closed at times to through traffic. Depending on the weather and other unforeseen events, construction should be completed within six weeks.

The contractor for these projects is Heartland Contractors of Chippewa Falls. Pre-construction design and engineering are provided by Short Elliott Hendrickson Inc. Staff from the City's Public Works Department will also be on-site daily during construction. For everyone's safety, please be patient and drive with caution along these streets, or use an alternative route.

For the latest construction updates and photos, click on the "Street and Utility Projects" tab on the City's website, [www.newrichmondwi.gov](http://www.newrichmondwi.gov). You can also stay informed by following the City of New Richmond on Facebook and Twitter.
